Pro-Bind 2000 & Cooling Stand

Pro-Bind Hard Cover Crimper

Create documents with the prestige and durability of a Hard Cover Book

Create impressive looking Hard Cover Books right in your office! Simply position the pages of your document into a Pro-Bind Hard Cover and place into the Pro-Bind 2000. Adhesive is pre-applied to the spine of the Hard Cover so there is no hole punching. When the cycle is complete, remove the cover and set into the Hard Cover Crimper to cool. You're ready to present a distinctive Hard Cover Book.

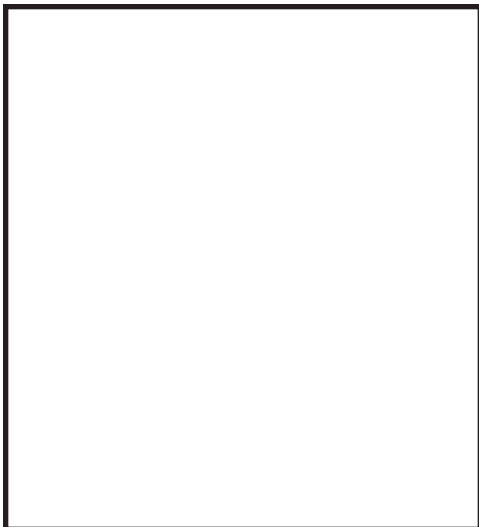

Insert pages into a Pro-Bind hard cover book. Our books have a pre-applied heat sensitive adhesive in the spine.

Set book into Pro-Bind 2000 and press start button to begin 60 second binding cycle.

For More Information, please contact:

Place cover into the Pro-Bind Hard Cover Crimper to crease spine and complete process.

In just minutes, you have a perfect bound Hard Cover Book.
